

## **Private Practice Physiotherapy position in Kingaroy**

### **Position Description**

Attractive full time, private practice position available in rural setting, with flexible job hours. No weekend work, allowing you to have free weekends. Langton Physio is a well-established private physiotherapy practice, which has developed a significant standing within the community as a provider of excellent physiotherapy services.

This is a great opportunity to consolidate your skills with a wide range of patient presentations and allow you a chance to find where your future direction lies. As a rural practice, we see a large range of case presentations, from acute to chronic musculo-skeletal and neurological rehabilitation. Additionally, Kingaroy qualifies for scholarships available through Health Workforce Qld, which can be used to further advance your career.

Kingaroy is located an easy 2.5 hour drive north west of Brisbane. It is a friendly country town, with a strong community atmosphere. Become involved with the many opportunities available with a variety of sporting and community groups. There is also a South Burnett Young Professionals group to assist with meeting new people and having some fun. Kingaroy is close to the Bunya Mountains and recreational dams. Both Toowoomba and the Sunshine coast are around a 2 hour drive away. For more information about Kingaroy and the South Burnett visit <http://tourism.southburnett.com.au>

### **About us:**

- Established, highly regarded private practice in Kingaroy with satellite clinic in neighbouring town of Nanango with excellent referral base. Hydrotherapy services are also offered
